

## Corn Salad

(makes one serving)

### **Ingredients:**

1 ear of corn  
½ red bell pepper  
½ green bell pepper  
½ yellow bell pepper  
¼ of a small yellow onion  
2 tbs. crème fraiche  
2 tbs. sour cream  
2 tbs. grated hard cheese (such as parmesan)  
1 tsp. lemon juice  
4 shishito peppers  
salt & pepper to taste

### **Preparation:**

Steam the ear of corn and remove kernels from the cob. Place in a bowl and set aside. Dice peppers and onion and add to corn.

In a separate bowl mix crème fraiche, sour cream, cheese and lemon juice. Add to corn mixture. Combine all with a rubber spatula until all evenly coated and creamy. Season to taste.

In a very hot skillet with a little bit of oil add the shishito peppers until blistering and some burnt spots. Happens very quickly in a hot skillet. Garnish on top of salad.
